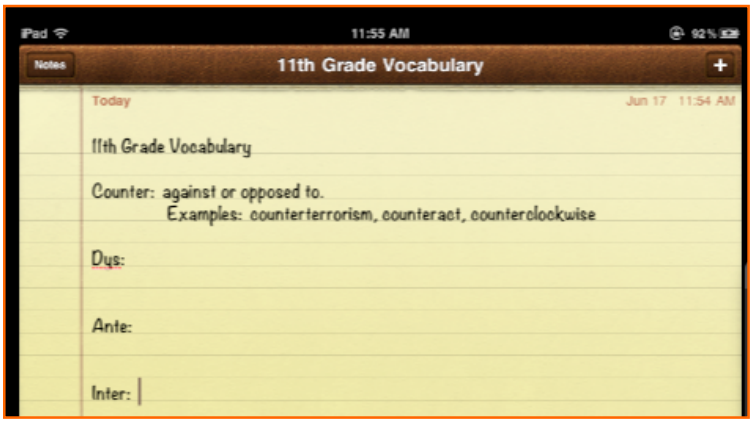
QR Code Vocab

1. **Quick Access the Suspended Scan App**: Double click the home button to return to your suspended Scan app—you will see the icon at the bottom.

2. **Prefix Cards:** Read the front of a vocab card (they have an orange border across the top) and then flip the card over to finish your task and scan the QR Code for additional information.


3. **Quick Access Your Notes:** Double click the home button to access your suspended notes app. After completing each card, add the definition of the prefix to your vocabulary page in the Notes App on your iPad.
